### **About Rail Projects Victoria**

Rail Projects Victoria (RPV), a project group of  
the Major Transport Infrastructure Authority, is  
delivering Victoria's largest ever rail infrastructure  
pipeline, with more than \$30 billion invested in  
metropolitan and regional rail projects.

RPV is responsible for the planning and  
development of project reference designs,  
site investigations, stakeholder engagement,  
planning approvals and procurement, through to  
overseeing the construction delivery and project  
commissioning phases.
