

ST JOSEPH'S COLLEGE GEELONG

COLLEGE UNIFORM & DRESS CODE

The St Joseph College uniform is a widely recognised and highly visible symbol of our College and represents a long and proud tradition as a leader in the greater Geelong community. The uniform promotes positive community perceptions of a St Joseph's student, particularly when in transit to and from school.

The correct wearing of the uniform is important and encourages a sense of pride in appearance and respect for oneself. It also helps students identify with one another and the College. It contributes towards a sense of belonging to an inclusive, non-discriminatory and equal opportunity community.

Parents/Carers are asked to support the College and ensure that students leave home in the morning in full uniform that is clean and in good repair.
