- Family violence has a devastating impact on our community and affects people from all walks of life.
- The Royal Commission into family violence recommended Respectful Relationships be introduced to all schools to change
 - attitudes and prevents the prevalence of family violence in future generations.
- Respectful Relationships is an initiative to help young Victorians deal with a range of challenges they may face and covers topics including being respectful, resilient and engaged at school and confident in themselves.
- We take a whole school approach - examining our school's practices and policies to build a culture of respect and equality.
 - The St Joseph's College Respectful Relationships team meet collectively each term to explore ways
 - we empower student voice, agency and participation with initiatives that bring about better awareness of how respectful relationships are the best relationships.
