## LEARN MORE

Check out our Podcast series on your favorite podcast service - search for Graduate in the USA.

This series aims to help students, parents, school staff and stakeholders with exclusive insights on topics including the admissions process, college sports and the Australian student perspective.

## WHAT IS EDUCATIONUSA

EducationUSA Australia is part of the U.S. Department of State network of over 430 international student advising centers in more than 175 countries and providing accurate, comprehensive, and current information about opportunities to study at accredited postsecondary institutions in the United States. Our offices are located in the U.S. Consulates in Melbourne, Sydney and Perth.

All of our services are free as we help students, parents, school staff and stakeholders that help students in Australia who want to study in the U.S. More details are available at:

<https://au.usembassy.gov/education/educationusa/>

## UNDERGRADUATE SESSION INFORMATION

### East Asia, Southeast Asia and Oceania Virtual Information Sessions

Join us to learn more about Brown University, Columbia University, Princeton University, and the University of Pennsylvania!

Admissions representatives will hold a virtual public information session for students and families about their universities and the highly competitive, selective college admissions process.

Topics will include: academic programs, campus activities, admissions policies, financial aid, and international student life.
