

PETER MALONE – YEAR 7 COORDINATOR

YEAR 7 2021 WELCOME

Hello everyone, my name is Peter Malone. Ms Zanos and I work closely together to support you and help your year run smoothly. We work as a team with your Homeroom teachers, who meet with you at the start of every school day. He or she will be the main contact person for you during year 7.

There are some things that we would like you to do between now and Orientation Day. In the mail you will have received your Student Welcome Information Package where you will find a Transition Workbook that contains both information and activities. This workbook will help you to prepare for Year 7 at SJC. Please complete all sections and bring it with you on your Orientation Day in December.

At the end of the booklet are some tips and dates about starting secondary school. Please have a read through them in the coming weeks.

There will be a range of mixed emotions amongst you all about starting at SJC – nervousness, excitement, curiosity – it is a big unknown for many of you. What will St Joseph's be like? This is what we can promise you; your wonderful teachers and support staff will do everything they can to support you and to help you to experience firstly, a positive transition to secondary school and secondly, an enjoyable and rewarding 6 years.

So, on the first day of school when you pull on your Joey's uniform and walk through the gates, you will begin an amazing journey. You will become part the St Joseph's story that is long and proud. And so, we ask simply that you be prepared to become excited by new opportunities, become involved, do your best and be proud that you belong to a great community at St Joseph's College.

We look forward to seeing all of you on Tuesday 8 December for Orientation Day. More details about Orientation Day will be sent out later in the year.

Thank you.
