St Joseph's College Geelong is delighted to offer you an opportunity to experience a lifetime memory with your son at the annual 'Mother and Son' Night.

This rare opportunity will stay with you forever.

Times of transition can be a major event in our boys' lives. As their ride on the adolescent roller coaster continues, their teenage years fly by. They are growing up and the opportunity to reflect on the challenges and the joys being faced by you and them is one not to be missed.

Testimonials - What the mums and mentors say

"It was a lovely experience which I feel we may never have shared had it not been for tonight."

We will be bringing Bill Jennings...

to our school to facilitate this unique experience for you. Bill is the creator and founder of 'Time & Space' (www.time-space.com.au), a service he has developed to give people just that - 'time and space' for parents and their children to share important moments together in a school community setting. This session provides opportunities that include carefully guided interactions with other mums and their boys.

Mothers will emerge from the night reassured and impressed by the way our students are able to speak up and share insights about their life.

Be assured that the night is fun too... full of activities and conversations that will make us smile as well.

This helps with our activity planning for the session. This session is exclusive to Year 7.

If you have any other enquiries, please contact Director of Identity Mary Malone. marym@sjc.vic.edu.au

We know that families come in all shapes and sizes and not all mothers can attend an evening such as this. A mentor such as a grandmother, aunt or family friend is welcome to attend.
