

SCHOOL LEAVER EMPLOYMENT SUPPORTS (SLES)

School Leaver Employment Supports (SLES) can support your transition from school to work.

SLES is about giving you the skills and confidence to help you move from school to employment. We offer individualised support in your final year of school and for up to two years.

genU SLES helps young people prepare, look for and gain employment. We provide meaningful, individualised capacity building activities so you can achieve your employment related goals.

Speak to a genU representative today to find out more.
